

Scholarship Application

In addition to scholarships offered by your home institution, AUSM offers a scholarship program designed to supplement grants or other financial awards. We cannot provide full scholarships, and they are not intended to be your only funding source. MSN is a small non-profit. Instead of relying on grants and foundation money, we use the proceeds from our study abroad program to fund community organizing in Albany Park, Chicago. For this reason our scholarship program is quite limited. We favor applicants with a history of strong commitment to social justice movements.

Please complete the scholarship form and submit it with your application. Scholarship applications will not be considered unless they are complete and accompanied by a program application. Scholarships are awarded on the basis of need, with preference given to applicants with proven grass-roots organizing experience and to first or second generation immigrants. Scholarship recipients will be notified shortly after the enrollment deadlines for each semester: May 1 for Fall and November 1 for Spring.

Scholarship Program

A limited number of regular scholarships are available from AUSM, generally in the range of \$100 to \$2,000 for a full semester program. Scholarships are not available for Summer programs.
